## **HAMILTON-GARRETT CENTER FOR MUSIC & ARTS**

The Hamilton-Garrett Center for Music & Arts (HGMA) is a non-profit affiliated with the Historic Charles Street A.M.E. Church, leading the city of Boston in its commitment to preserving and celebrating Black music. For over 20 years, HGMA has done this through high caliber music education taught by Boston's leading musicians and artists. HGMA is proud to serve as the first community-based partner with the esteemed Berklee College of Music, through its Center for Africana Studies. HGMA does exciting things by challenging inner-city youth to see themselves as positive producers of culture, music, and the arts as a whole, rather than merely consumers of it.

100% of proceeds go to support Hamilton-Garrett Center for Music and Arts programming. For more information, please visit [www.hamiltongarrett.org](http://www.hamiltongarrett.org).
